

We'll put critically needed medical supplies in your hands.

You can equip your volunteer medical team with the supplies you need for a small donation while supporting MedShare's mission of bridging the gap between surplus and need. Your team could be one of over 300 medical missions supported by our Medical Team Store each year.

Benefits:

- Hundreds of medical supplies available
- Quick and easy online application
- Supply your project within two weeks
- Outfit your team from anywhere in the continental US
- Your tax-deductible donation enables MedShare to operate the store and equip your team with the supplies you need

Instructions:

1. Consult with your team's medical professional to complete the online application.
2. Once approved, you'll be contacted by a MedShare team member to arrange an appointment time.
3. Come in to hand-select your supplies.*

*For medical teams outside of Atlanta or Northern California, requests of 100+ lbs can be processed through our online ordering system. Shipping fees apply.
